

Water Treatment, Design, Consultancy, Fabrication

DI Water System

- Reverse Osmosis (RO)
- Electro Deionization (EDI)
- Anion and Cation Exchange (Dual Bed System)
- Mixed Bed Exchange Systems
- Softener System
- Filtration System
- Ultrafiltration, Nanofiltration
- Water Analysis, Audit and Monitoring
- Regenerant, Disinfection, Production Chemical Supply Cooling Tower, Boiler, Chiller

Waste water Treatment

- Retrofit and Upgrade
- Membrane Bio-Reactors
- Sequential Batch Reaction
- Package Sewage Treatment Plant
- Physico-Chemical System
- Micro-Biological Systems
- Plant Operation and Maintenance
